ABOUT VICTORIA

Just a short journey away from Vancouver, Victoria is a unique blend of old-world charm and new-world experiences. Heritage architecture, colourful gardens and traditions such as afternoon tea mix with adventure such as kayaking, fishing, hiking, cycling and golf; culinary experiences such as gourmet farm and wine tours, microbreweries and world class dining; and arts and culture. As an island destination, Victoria offers visitors an escape from the hurried world and beams with ambience. Victoria is unique to Canada as a winter destination, boasting the mildest climate in the nation and is green year-round. This, combined with the wild beauty of the Pacific Ocean and old-growth rainforests set against a backdrop of the Olympic Mountains, makes for a favourable lifestyle and a desirable destination to both live and visit.
